# SPICCHI DI ARTE VENEZIANA

Scolture luminose con pannelli di vetro **lavorati completamente a mano** e sagomati con **taglio personalizzato** al fine di ottenere un **incastro perfetto** e senza spazi fra i vari spicchi. Ogni singolo vetro diventa un **pezzo unico e inimitabile**. Ecco perchè viene **singolarmente numerato in progressione** per il corretto fissaggio sulla parte metallica. Ogni montatura ha una numerazione (con punzone) con riferimento ai vetri prodotti e codificati. Il complesso lavoro di produzione dei vetri viene estremamente avvalorato da una nostra **tecnica unica ed inimitabile nel taglio e nella molatura**. Ogni articolo di questa serie diventa così un'opera d'arte e prenderà sempre più valore nel tempo.

*Light sculptures made with glass panels, completely worked out by hand and custom-shaped in order to get a perfect fit, without gaps between each segment.*

*Every single glass-part is one of a kind, that is why they are individually numbered in sequence to install each glass-part in its right position.*

*Each frame shows a punched-in numbering referring to the glass-parts produced and separately encoded.*

*Our subtle production of the glass parts is totally backed up by our **unique and inimitable technique in cold-working, shaping and grinding.***

*Each fixture of this series becomes a work of art and it will go up in value over time.*
