## **NORMAN – 207269142**

excl. 1x E27 · max. 40W

- **Motion sensor**
- **Wallmounting**
- **IP44**
- **Lamp(s) not included**

The classically inspired shape of the NORMAN outdoor luminaire adds a lot of charm to your outdoor area and, when placed correctly, becomes a decorative eye-catcher. A special feature of these outdoor lights, is the integrated motion sensor. It reacts to movement in its immediate surroundings and switches on and off automatically. A guarantee for more safety and orientation in the dark! Thanks to the IP44 protection rating, the luminaire is particularly weather-resistant and therefore ideally suited for outdoor use. The colour design in anthracite and the white shade of the luminaire ensure a modern and timeless appearance. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment. ☒ ☒
