The GANGES outdoor wall light impresses with its clear and elegant shape. It blends harmoniously into any garden ambience. Thanks to its IP54 protection rating, it can withstand any weather conditions. The light also has a practical motion detector that covers an area of 9 metres at 120°. The luminaire is made of robust, high-quality die-cast aluminium in anthracite. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
