

Wall lamp

TAY – 226560242

incl. 2x SMD LED, 4,5W · 2x 580lm, 3000K

- **OSRAM inside**
- **Up and Down lighting**
- **Wallmounting**
- **IP65**
- **Not dimmable**

The TAY outdoor wall light impresses with its striking design and high-quality materials. The luminaire is made of die-cast aluminium and is ideal for outdoor use thanks to its IP65 protection rating. Thanks to the upward and downward light emission, the luminaire provides pleasant and effective lighting at the house entrance, balcony or patio area. The wall light has a size of 11x20 cm. The anthracite-coloured design leaves plenty of scope for combining with other colours and at the same time ensures a modern appearance. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Diecast aluminium ·
Anthracite

Product dimensions

Width: 10cm
Height: 20cm
Weight: 0,7kg

Technical data

Light source: SMD – LED (integrated)
Watt: 4,5W
Lumen: 2x 580lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 50000H
Switching cycles: 30000x ON/OFF
