The wall lamp BELLY provides a modern appearance with decoration character and eye-catcher guarantee in a noble design! The indirect lighting comes into focus with its minimalist look and unfolds its decorative accents on the wall in the dark. Thanks to its IP54 protection class, the luminaire is protected against splashing water and bathes your garden, entrance area or terrace in atmospheric light. The wall lamp convinces with a high-quality housing made of die-cast aluminium in the simple colour anthracite. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
