Immerse yourself in a fascinating journey through time with the LIVENZA series! The unique design of the three-bulb outdoor light is an eye-catcher and sets special lighting accents in your garden or driveway. Thanks to the generous light emission, it emits pleasant light in all directions to ensure safety and create an atmospheric ambience. With an IP44 protection rating, the light is protected against splashing water on all sides. The light, made of high-quality die-cast aluminium in matt black, lends your garden an elegant charm. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.
