

Pole

SALMON – 446960135

incl. 1x SMD, 11W · 1x 1200lm, 3000K

- IP44
- Not dimmable

The outdoor lights in the SALMON series are enchanting all along the line. The perfect combination of indirect light, functionality and stylish appearance makes these lights an indispensable element in your outdoor area. Placed in the entrance area or next to the landing, the path luminaire provides an appealing light for every newcomer and contributes to safety. Thanks to the IP44 protection rating, the light is extremely versatile. The colour mix of anthracite and wood reproduction is currently on trend and gives your outdoor area a visual upgrade. The luminaire also features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.

Material construction

Diecast aluminium · wood imitation

Product dimensions

Width: 21cm
Height: 100cm
Depth: 9cm
Weight: 4kg

Technical data

Light source: SMD – LED (integrated)
Watt: 11W
Lumen: 1x 1200lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
