Inviting and effective – outdoor lights set atmospheric lighting accents around the house. The decorative BOLO garden ground light has a five metre supply cable and is supplied with a ground spike so that you can easily fix it in your garden. The globe light is extremely weather-resistant thanks to its IP44 rating. The light conjures up a harmonious atmosphere in your outdoor area or serves as a safe path light to the house or garage. The BOLO garden light comes in a smoke-coloured plastic sphere and is supplied with a black ground spike. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.
